

Select *SustainablePlus* Esplanade® Nuttall Oak

Quercus nuttallii 'QNSTC' P.P.#16,401

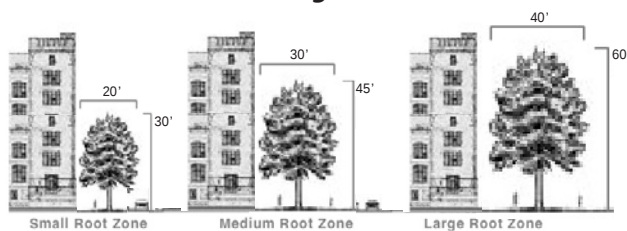

Native shade tree - own root. Esplanade® is a handsome Nuttall Oak from Tree Introductions has an upswept branching structure lending to a natural adaptability for urban situations. Clean, dark green foliage turns a brilliant red and then burgundy in autumn. An own-root clonal selection for tough, urban landscapes.
