

Select *SustainablePlus* Streamline® Overcup Oak

Quercus lyrata 'QLR552' P.P.A.F.

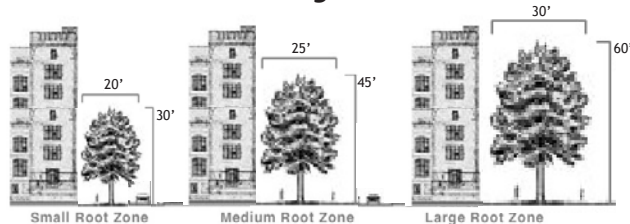

Native shade tree - own root. Streamline® Overcup Oak has moderately upswept branching. The orange-burgundy fall color is unique to overcup oaks. Clean and uniform leaf drop in winter. Streamline® is very tolerant of heavy, low-oxygen/wet urban soils, but will also adapt to drier conditions after establishment.

Specifications
